Mahalo for contacting me with your thoughts on the tax code.

I considered your claim about the legality of the income tax, but I must disagree with your conclusions. The courts have consistently upheld an individual's general obligation to pay the income tax. For more information about why various arguments are not valid, I urge you to visit <https://bit.ly/3Mgyk58>.

Thank you again, and please continue to let me know of your views. Please also sign up for regular updates from me and my office through my e-newsletter and social media outreach at <https://case.house.gov/contact>.
